Adoption of product group SERVO-hydraulics

Dear Customer

As of October 1st, 2016, Schenker Hydraulik AG will continue to manage the product group SERVO-hydraulics of Curtiss-Wright Antriebstechnik GmbH.

We are looking forward to continue to serve you professionally.

The correspondence and communication regarding all topics of SERVO-hydraulics will be taken over and processed starting from **October 1st, 2016** by Schenker Hydraulik AG. Please take notice of the following new contact:

Contact:	Thomas Meier
Phone:	+41 (0)62 857 35 00
Email:	<u>servo@schenker-hydraulik.ch</u>
Homepage:	<u>www.schenker-hydraulik.ch</u>

Schenker Hydraulik AG offers everything that keeps hydraulic running. From dismantling, revision and repair to complete new hydraulic systems commissioned on-site. We stand for competence in the fields of hydraulics, mechanical manufacturing, hard chromium and pump revisions with the slogan: **With us you stay in motion - comprehensive, straightforward and quickly.**

Call us – we are here for you.

Yours sincerely

Schenker Hydraulik AG
